ASEAN NATURAL & ORGANIC SHOW

(Singapore, Thailand, Malaysia,
Indonesia, Vietnam)

BUYER SELLER MEET

DECEMBER 15-17, 2017,
KOLKATA INDIA

The natural and organic market in ASEAN region is predicted to be growing stronger and faster with the rising disposable incomes, the promoting green lifestyle, and the increasing awareness on health and wellness in the region. In such fast growing and changing market, India is the best sourcing platform and information hub to cater the industry's needs. **India is acknowledged to be the second largest exporter of herbal cosmetics to the world** market after China.

The ASEAN organic cosmetics market is expected to account for nearly 6.6% of the global organic cosmetics market by 2020, expected to reach US \$ 4,410.9 Mn by 2020, reflecting a CAGR of 9.5%. Cosmeceutical, Organic Food products are gaining significance globally and in the ASEAN region. Herbal Cosmetics from India have a great demand in the overseas market and Indian cosmeceuticals market is growing exponentially
