

Education 5.0

Advanced Technology with Human Collaboration

Odisha EduMeet 2024 & Excellence Awards

The Annual meet of educationists, business leaders, subject experts, decision makers, influencers, social impact investors and much more.

November 2024

City: Bhubaneswar, Odisha

Nomination Closing Date: 14th October 2024

Globally the past few decades have witnessed a boom of digital transformation and new technology around us. Artificial Intelligence, the Internet of Things, data processing, and other tools have been embedded in our lives. With the Covid-19 pandemic, life turned more digital, and things were no different in educational institutions with online classes and distance learning the norm.

The global Education market size was valued at USD 6639.48 million in 2022 and is expected to expand at a CAGR of 6.34% during the forecast period, reaching USD 9600.79 million by 2028. The education market in India is expected to amount to US\$ 225 billion by FY25. From April 2000-September 2023, Foreign Direct Investment (FDI) equity inflow in the education sector stood at US\$ 9.44 billion. Indian edtech startups have received total investment of US\$ 3.94 billion across 155 deals in FY22. India has the largest population in the world in the age bracket of 5-24 years with 580 million people, presenting a huge opportunity in the education sector.

However, human beings need to be future ready and technology can just be a tool for this transformation. Aligning to Industry 5.0, Education 5.0 links technological knowledge to human social and emotional skills to promote well-being.

ASSOCHAM, aligning itself with vision to build India a Global Education Hub is committed towards strengthening the sector. To further build upon technology with human touch to enhance sustainability, ASSOCHAM Education Meet will have parallel sessions, engaging discussions with subject experts and industry leaders focusing on Higher Education, School Education and Skill Development.

Focused discussions shall be around –

- ❖ Education 5.0, striking a balance of human collaboration with Artificial intelligence.
- ❖ Industry Academia Partnerships for future of Education
- ❖ Research & Innovation in Higher Education
- ❖ Reforms and Role of AI in School Education
- ❖ Holistic growth, mental wellness, teacher development
- ❖ Creating Centre of Excellence and Global Partnerships

The meet will also see presence of industry leaders being honoured for their contribution to the education sector. The annual awards are most sought after. Nominated entries are evaluated by industry veterans. Come and be part of the gala meet at Bhubaneswar Odisha.

Why Nominate?

Recognition and Prestige: Winning an award can enhance the organization's reputation and credibility in the industry.

Motivation and Morale: The nomination process itself can boost employee morale and motivation, recognizing their hard work and dedication.

Benchmarking and Learning: Participation allows the organization to benchmark its performance against industry standards and learn from best practices of other nominees.

Networking Opportunities: Being part of the award process can lead to valuable networking opportunities with other industry leaders and experts.

Publicity and Branding: Winning or even being nominated can provide valuable publicity and branding opportunities, enhancing the organization's visibility in the market.

Stakeholder Confidence: Winning an award can instill confidence in stakeholders, including customers, investors, and partners, about the organization's commitment to excellence.

Continuous Improvement: The nomination process encourages organizations to reflect on their practices and strive for continuous improvement in various aspects of their operations.
