

6TH ROAD SAFETY CONFERENCE ON SAFER AND SUSTAINABLE MOBILITY WITH INNOVATIONS AND TECHNOLOGY

Friday, 13th May 2022

10.00 AM - 2.00 PM | Hotel Taj Mahal, Man Singh Road, New Delhi

6TH ROAD SAFETY CONFERENCE ON SAFER AND SUSTAINABLE MOBILITY WITH INNOVATIONS AND TECHNOLOGY

Friday, 13th May 2022

10.00 AM - 2.00 PM

Hotel Taj Mahal

Man Singh Road, New Delhi

Innovations and Technology are the key enablers to achieve the goal of safe road ecosystem. Road safety has always been a significant challenge with adverse implications on the country's economic and social development.

India ranks first in the number of road crashes deaths and accounts for almost 11% of the accident-related deaths in the world. As per the Road Accident Report for 2019 endorsed by the Ministry of Road Transport & Highways (MoRTH), 4,49,002 accidents occurred in the country during 2019, leading to 1,51,113 deaths and 4,51,361 injuries. In the past one decade, over 1 million people have lost their lives in road crashes. Consequently, this has led to unimaginable miseries to affected families and dented the Indian GDP by over 3 percent.

Safer Mobility with innovations and adoption of emerging technologies has always been key agenda for all stakeholders. World Economic Forum has also initiated the Road Safety 2.0 initiative in India.

Safer and sustainable mobility is utmost important for People, Planet and Prosperity to achieve the goal of safe road ecosystem. The need of the hour is paradigm shift from 4Es to 6Es, i.e. Education, Engineering, Enforcement, Emergency, Environment and Encouragement for better implementation of road safety norms with sustainability.

In view of the above, highlighting the need for policy enhancement support and increasing efforts of stakeholders in development and adoption of sustainable technology to make India's roads safer, ASSOCHAM is organising the 6th Road safety Conference on **"Safer and Sustainable Mobility with Innovations and Technology"** on **Friday, 13th May 2022** from **10.00 AM to 2.00 PM** at New Delhi.

Key Points of discussion or highlights
